RE: Thomas American Stone, DOE/047/008

On March 24, 1987, Frank Filas, David Wham, and I tried to locate the subject DOE in the Horseshoe Bend area of the Green River.

The DOE listed the lease as being in sections 23, 24, 34, and 35, township 6 south, range 21 east. With this large unspecified area, we could not locate any specific activity related to this DOE. (It is probably only prospecting activity.)

A check of state lease #38735 indicates that the lease is for 581.46 acres with an annual payment of \$582.00. The lease will expire on December 31, 1990.

The state lease shows the new address as:

Thomas American Stone Inc.  
4440 South 3rd West  
Salt Lake City, uTAH 84107
